Legación de España, no. 58

Peiping, November 26th, 1935

Monsieur le Ministre,

I have the honour to inform Your Excellency that the Government of the Spanish Republic, desiring to strengthen the good relations existing between China and Spain, and inspired by its friendly feelings towards this country, would be disposed to remit the remaining portion of the indemnity due to Spain for damage sustained during the Boxer rebellion of 1900. With this object, I am instructed to enquire of Your Excellency whether the Chinese Government would agree that the remaining portion of the said indemnity should be dedicated to the purchase of Spanish books to be presented to the National Library of Peiping, and the other would be ceded to the Chinese Government to be employed in works of education and charity.

I avail myself of this opportunity, Monsieur le Ministre, to renew to Your Excellency the assurance of my highest consideration.

[Sello: Legación de España]      [Firma: Ricardo Muñiz] Charge d'Affaires.

His Excellency

Monsieur Wang Chao-ming,  
Minister of Foreign Affairs,
